Speech Competition

13<sup>th</sup> Māori Language Week

16<sup>th</sup> September - Te Kawau Speech Competition.

23<sup>rd</sup> September - Life Ed Caravan

21<sup>st</sup> October - Pet Day

### Wig Wednesday TOMORROW!!!!!!

Remember to wear your wackiest wig, hair do and of course a gold coin donation. Sorry for the short notice - it crept up on us all.

### School Speech Competition

This Friday at 11.30 seniors will be presenting their speeches (a persuasive speech/argument) ready for the Te Kawau Speech Competition. Parents are welcome to come along and listen to them.

Welcome to Naylaa who started school yesterday. Naylaa is Talha's sister - the junior girls are delighted to have another friend.

### Board of Trustees

Firstly a huge thank you to Angela Bennett and Gareth Sharp for their service to the school as Governors on our outgoing Board of Trustees and for Sai and Tasneem for continuing as BOT members. Gareth has been our Chair (Presiding Member) and it is a role he has excelled in. I have found Gareth to be an excellent Chairperson/leader of the team and I have really enjoyed working with him. Gareth has kindly volunteered to help the BOT transition into their new roles.

We are delighted that we had 5 people standing for the BOT so didn't need an Election. At their first meeting last week they elected Sai Kodavanti as their Presiding Member. I look forward to working with Sai as Chair, Tasneem Bibi, Melissa Bessem, Fiona Pramm and Robyn Wild. Thank you all for your commitment to the kids and Sanson School.

### Jan's last day

Unfortunately its Jan's last day today. She has been an absolute delight to work with and we know she will be very hard to replace...she'll still pop in from time to time and hopefully catch up with us at major school events.

The School secretary vacancy closes on the 9<sup>th</sup> September with interviews the following week so watch this space for developments!

### Junior Art Work

The juniors have been busy with teacher Jane Egan. They created these amazing 1 flower paintings and chalk pastel landscapes painted over with coloured dye.

Regards Jude and the **TEAM** Together, Everyone, Achieves, More

### Visiting authors

Last week (amidst many little power cuts!) we were entertained by 4 amazing NZ authors through the Storylines Organisation. This was free to our school. They were delightful - funny, informative, excited by books and they were amazed by our great kids. We received VERY positive feedback about the kids as an audience, their participation, their questions and their response to the authors...ka pai Sanson kids - YOU ARE WONDERFUL!

Pictured below: Story telling Authors.

### Te Kawau Football

#### Tournament last Friday

Congratulations to our team. I've had positive feedback from the organisers about how our team played and their sportsmanship. CONGRATULATIONS to Cody for scoring our only goal - well done Cody!

A big thank you to our super parents who provided transport to Oroua Downs school and to Mr K for organising this wonderful day for our students.
