Happy Birthday

14th February Gabrielle Davis

Congratulations to our Top School team (Jesse, Raymond, Kate, Elliott, Aleasha, Cody, Gabby, Summer, Lauren) They were helped by 2 extras from Rongotea. While the team didn't place they said they had "a great time." Thanks to Kris Astwood for taking on the team manager role ably helped by Rita Simmonds! Raffle donations were well received with a lovely planter/bench seat donated by Kris, groceries and assorted items provided by families/whanau and a selection of Tupperware provided by Kirsty Davis.

Results: 1st prize bench seat/planter with ticket 248 Tania (PN), groceries ticket 126 Hayley (Feilding) and 3rd prize Tupperware with ticket 63 Christine (Halcombe). All prizes were drawn by the Lions member in the caravan. And all delivered on the day. A profit of \$553 for the day... well-done helpers - Kris, Emma, Kirsty, Gareth, Rita, Jen and children - THANK YOU!

Arrival time at school

While there are usually teachers here at school by 8 please do NOT send children earlier as we cannot ensure they are safe or supervised.

Footwear at school

We don't have footwear requirements with our uniform but please - NOT gumboots... it's summer, the kids feet are too hot and get very stinky in gumboots without socks. Save the gummies for winter.

Lunches

The juniors have been looking at healthy lunch options and we are very impressed with the number of children who have reusable plastic zip lock bags, fruit, vegetables and containers that can be washed out and re-used. There are also unfortunately many, many plastic wrapped bars, gladwrap and foil wrappers which are not only not able to be recycled but are also products LOADED with sugar!!! Have a read of the ingredients - you may be SHOCKED!
