

### Upcoming Events

18<sup>th</sup> February School Pool Picnic.  
Let's welcome the new school year - at school Thursday from 6pm (assuming the pool pump is repaired) - bring a picnic - we'll provide some pizzas...

24<sup>th</sup> February - BOT Meeting in Room 4

### Pool pump

Thanks to the generous donation from the Hall Committee the pump has been repaired and the pool set to re-open. Now we just need some more hot weather...a huge thanks to Shane Hainsworth for running the pool all season.

Congratulations to Crystal and Shane on the birth of their daughter Ricki Liane last week.

### Covid 19

We have contact tracing QR Codes on the front main door and the junior cloakbay door if you need to enter school. If you don't have the app on your phone please use the visitor's book in the main foyer.

### Portfolios

These are a record of your child's achievement and progress over their learning journey at Sanson School. There is a comment sheet provided which we had hoped you would take the time to fill in as a record for your child acknowledging how well they're doing and/or as a place for constructive criticism that you can enjoy sharing as a whanau in the future.

It is lovely for your kids to look back and see the interest you take in their learning. I am disappointed that so few of you filled them in. My challenge next time you receive the Portfolio is for you to comment on your child's work!

Thank you to the handful of parents who did comment - your kids were thrilled! Some Portfolios still need to be returned...

### Garden Post Fundraiser

Orders and money need to be by March.
