

### Upcoming events

18<sup>th</sup> November - Weetbix Tryathlon team visiting on Thursday (masked and vaccinated) to tell our kids about the 2022 Weetbix Try event

23<sup>rd</sup> November BOT - meeting Rm 4, 5.00 pm.

STAR testing for Y3-8 next week...STAR (Supplementary Test of Achievement in Reading)

3<sup>rd</sup> December - Colour Fun Run.

### Christmas tree Tender

Big thanks to Kris Astwood for making the stunning pallet tree. This was going to be the centre piece of our float this year. The tree is being tendered and the funds are being donated to school.

### School Cups

If you received a cup at the 2020 end of year Prizegiving can you please return to the school office by the end of the week.

**Play is fun and can start in your backyard** ko tō tajao te tūāpapa o te tākaro

**EASY WAYS TO GET YOUR WHĀNAU PLAYING**

Play at home - put on music, make a fort, draw a hopscotch	Explore reserves and the natural environment near you
Share the games you used to play to spark imagination	Schedule time for your kids to play after school

Connect with your neighbours and set up a game to play together if lockdown restrictions allow

### Welcome to our newest student

Slayde Blackwell - he is a Y4. We welcome Slayde and his whanau to Sanson School. The junior boys are thrilled to have another boy to balance the boy:girl (6:6) ratio!

### Covid 19 Vaccinations

As of tomorrow all adults who visit Sanson School will be required to wear a mask and show evidence of being vaccinated. If you are unable (or unwilling) to show the evidence of your vaccination then we will have to assume you are unvaccinated and therefore CANNOT enter the buildings, provide transport at school events, attend Prizegiving, be onsite at all while children are present.

**If this applies to you please wait in your car if you are dropping off or picking up your child.**

While some may feel this is an over-reaction, it is a Government Public Health Order and we therefore must abide by it.

If you would like to discuss this I am happy to chat - phone 021 709719 - Jude

## ...Sanson School...

### Fundraiser

We have a wooden Xmas tree made entirely of recycled materials that was going to be for our Xmas parade float, but due to that not going ahead it is up for offer.....

The Tree is approximately 2.4m tall and 1.3m wide, comes complete with 30m of lights and will include delivery within 30kms.....This amazing tree will spruce up your home or yard for Xmas and support a local school while you're at it!

Text your offers to 0273421500 by 5pm, 26th of November - **for delivery that weekend.**

Our final thought for the day - Be a pineapple. Stand tall, wear a crown, and be sweet on the inside.

Ka Kete anō

Regards Jude and the TEAM **T**ogether, **E**veryone, **A**chieves, **M**ore
