Safety at school

Please help us to teach your children about safety on the road - wear a helmet when on a bike, wear a safety belt when in a car and use an approved car seat if under 7 years of age! Working together we will be able to make sure our kids stay safe...

Building work to be carried out at school over the next 5 years

2 separate amounts of \$78,000 are to be spent on improving the infrastructure here at Sanson School. Hot water to the remaining toilets, carpet in the hallway/foyer, covered learning area outside the frontage, replacing heat pumps as needed, replacement of panels in our roof so they are trafficable, new sun-shade, much needed drainage work and an upgrade of Room 5 (the prefab). Plus the \$50,000 for a project not currently covered by our 10 year property plan. Clearly the Ministry of Education is happy spending money on our lovely school for many years to come. This is exciting work and the BOT will keep you informed along the way!

The Bulls Air Scout Group welcomes girls and boys into Keas age 5-8yrs, Cubs aged 8-10yrs or Scouts aged 10-13yrs at the Scout Hall, Wilson St, Bulls. For more information contact Lynell Arnott - 0274312184.
