Welcome - to Talha Zaahir and his family to  
the Sanson School whanau. We know you will  
enjoy your learning journey at Sanson School.  
The junior boys are delighted to have another  
boy to start to improve the ratio of boys/girls!

## Lamb, Calf & Pet Day

There won't be any school provided food I'm sorry - no sausage sizzle  
etc. Parents are invited to attend, bring animals, flowers (juniors)  
and view the displays.

- BUT  
Only 1 adult per family please (so we don't exceed the 50  
people indoor or 100 people outdoor Covid requirements)
- Adults MUST wear a mask
- This will be a very 'low key' day but the kids have created  
some lovely artwork that they would like to share with whanau,  
friends and judges so we'll go ahead with our modified day and  
hope it's still fun for the kids.

## Kelly's Sports Afternoon - Friday 29<sup>th</sup> Oct

The whole school will have the opportunity to play a variety of sports  
with coaches from Kelly's Sports. A pamphlet about sports holiday  
programmes and after school activities will give our kids ideas for  
individual sports or team sport options.

Camp - end of year The BOT approved the Y4-8 student's camp at  
'Green Pastures' near Whanganui from the 1<sup>st</sup> -3<sup>rd</sup> of December.  
We've fully subsidised camp for the last 2 years but this time we'd  
like to ask parents to contribute \$30 per child/adult attending. The  
school will cover the remaining \$70 from curriculum budgets and  
fundraising. The camp is catered and activities include: swimming at  
the Whanganui Splash Centre, kayaking, confidence course, beach  
activities, the Bason Reserve Botanical Gardens, archery and much  
more. More details closer to the time. The juniors will be able to join  
the Y4-8s on Thursday the 2<sup>nd</sup> December (it's only 45 minutes to the  
camp). Camp will only go ahead if we're at Alert Level 1.

## Staff Bake Off

Staff cakes will be on display at Pet Day. Make sure you check out  
the competition cakes - bragging rights are much sought after.
