## Pyjama/onesie Day

The Student Council have organised a PJ day/onesie day on Friday to honour one of their Election promises.

## Congratulations

Well done seniors! On Friday I taught the seniors and issued a challenge which cost me dearly! We had a basic facts challenge - any child who could beat me I'd take to Subway for lunch...I was a little too confident (and they've really got MUCH better than I had realised) - there were 100 mixed basic facts and time was a factor... I beat them all on time but in my haste I got one sum wrong...well done Tallyn, Jesse, Kate, Eamon who all scored 99 or 100 and Ethan who won the solar system science quiz with 16/20.

The other work that impressed me was their writing. Many students have made huge improvements in surface features (spelling, punctuation, grammar, and layout) and deeper features (impact, voice, structure, sentences, vocabulary and language features).

## Senior camp meeting

Come along this Wednesday at 5.30pm in R3 to find out all the details about the senior camp. Next week the kids will leave for Pourerere Beach on Wednesday the 9<sup>th</sup> at about 9am.

If anyone has life jackets the seniors can use please bring them to school prior to camp. NB While the kids will only be in the sea when well supervised by adults who will be deeper than the kids are, the life jackets give added protection (and warmth!)
