'Colour Fun Run' fundraising results

Wow, students have been really busy fundraising for our school camp later in the year.

Together you raised a total of \$1,559.57, with 50% going directly to the school.

The student with the highest amount raised goes to Kendra Blackley - Read who raised a whopping \$354.20, well done to everyone who has very generous family and friends.

Congratulations to everyone for such a sterling effort.

All prizes have been ordered and are sent to the school directly.

Newsletter Week 3 Term 3 2020

Eid lunch

The kids thoroughly enjoyed their shared lunch with Zunairah and her family last week. There were lovely vegetarian, Halal and Gluten free options provided (chick peas, butter chicken, chicken and salad wraps, samosas, spring rolls and sugar free drinks). A huge thank you to Abdul, Tasneem, Ziyad and Zunairah. The kids were very appreciative, used excellent manners and most children had seconds, some third helpings even!

Celebrating Eid

By Zunairah Bibi

During Ramadan, Muslims wake up early to eat the meal before sunrise. During the fasting we don't eat during the whole day from sunrise to sunset which means no eating or drinking during daytime. Once the sun goes down we break our fast by eating dates and yummy foods. When we fast it reminds ourselves of the poor people around the world who don't have enough to eat. Elderly, sick people and little children are not allowed to fast during Ramadan. At the end of Ramadan when the moon is spotted in the night sky, we know that the month of Ramadan has ended and the festival for Eid begins. It's time to celebrate with families and friends so we gather together and celebrate Eid with everyone with delicious foods and sweets.

PRIME maths

Teachers have now all observed PRIME maths in use at Terrace End School in their multi-level classes - this will be an amazing maths resource for our kids and should see a rise in maths performance for kids and teachers! The BOT are committed to helping us raise student achievement in maths and have agreed to fund this new programme for 2020/21.

Music lessons

We have been offered drumming lessons for the senior kids, with a drummer from Ohakea. We were hoping to have lessons during the school day but the tutor is only available after work (after 4.30pm). The lessons are for 20 minutes per student. At this stage we just need to know if any student is keen on after school lessons.

Please let Jude know asap. Return slip attached.

Expressions of Interest in Drums Lessons Afterschool

We have a Tutor willing to give Drum lessons afterschool and would like to see if any of our students who would be keen to take this up. This will be part of the Music program and school funded for one term.

I am interested in my child/children having Drum lessons at the after school music program run at the school.

Signed

Child/Children
