Next Tuesday Rochelle Thorn (our Education Review Office) ERO partner will be on site visiting classrooms. Rochelle will be talking to teachers, students and BOT members about our lovely school. Rochelle would also like to chat to any parents during the day that are available. Pop in, have a cuppa and a chat...we'll even provide biscuits, frothy coffee, fruit teas and normal tea!

Portfolios

Please return these to school by the end of this week.

Te Kawau Cross Country at Bainesse

This event is on this Friday (1st July). All our students are eligible to participate so we will take all students and expect them to run in their event. We need to be at Bainesse School by 10.30 (leave here at 10) Please let us know if you are taking your own child(ren) to the cross country so we can organise transport for everyone else. Hot food will be available. Warm clothing will be essential. Please text if your child is absent so we don't wait for them to arrive on Friday.

Above - Some of our school cross country students who will be competing at Bainesse on Friday. Note: we had a few students away when this was taken.

Winter clothing

A number of kids come to school wearing shoes without socks...which is fine, but please ensure socks are brought to school, as kids aren't allowed to wear shoes inside and bare feet get too cold on these winter days even inside classrooms!

Spare uniforms

We have many second hand uniforms available. Come and have a look to see if we have the right size for your child(ren). Swap out too small for the right size!

BOT meeting TONIGHT (was postponed from last week) 5pm in R4 - come along especially if you are considering standing for the BOT Elections this year
