

Upcoming Events

March

BOT Meeting 22nd March - Rm 4. All welcome.

Te Kawau Triathlon

Cancelled unfortunately as we're still in 'red'.

Manawatu Standard (Stuff) article

On March 14th we were featured in the paper introducing our 3 students with Aa names (Aashritha, Aafiya and Aaron) - have a look on line or get a copy of the paper - it's a lovely story (even with the odd misquote!)

Farm Animals Word Search

CHICKEN
COW
DONKEY
GOAT
HORSE

PIG
RABBIT
SHEEP
TURKEY

What a strange world we currently live in!

I've completed my isolation period but I've still got 'the cough' and a need for tissues every few minutes.

Sooooooo - I tested this morning just to be sure and got a faint positive...I'll be back as soon as I test negative and/or symptoms have gone.

In the meantime thank you to Chris, Robyn, Jan, Brenda and Jane for keeping the school open and giving the kids who can be at school some sense of 'normal'.

Covid 19

If you or your whanau have any symptoms (cough, runny nose, headaches, etc etc, etc) please get a test so the spread of this virus is minimised while you isolate.

Assessments

We had planned to complete these by the end of next week but these will be postponed until we have all our kids back!

Truck needed

The Rongotea and Districts Lions need a hand to collect large hay bales which they'll then sell and distribute the profit to local schools (Sanson included) - if you know of anyone with a truck please contact Gareth.

Have a great day!

Sorry I'm still not there

Lol, Jude
