

Upcoming Events

March

BOT Meeting - 22nd March

Rm 4, 5.00pm.

All welcome.

Bulls Junior Rugby Club

MUSTER DAY this Sunday 6th

March from 10am-11am at the

Bulls' Domain. We invite all

returning players and welcome new

boys and girls ages 4-13 to

register. Children will try on rugby

jerseys for sizing, receive their

mouth guard and may even get

some cool freebies! Socks will be

available for purchase on the day.

Fees this year will remain at \$20

per player to a maximum of \$50

per family, we continue to strive

to make rugby accessible for all

children. For more information

email bullsmidgetrugby@gmail.com

or 0273100920.

Birthdays

4th March - Aaron

Budathoki turns

6 - Wahoo, we hope

you have a great birthday.

Cool story - today checking with

Aaron that he turns 6, the juniors

then told me about their amazing

qualities - Kasey's tall and smart,

Aashritha's beautiful and smart,

Aaron's big smile face and Lailah's

amazing at caring for others.

Isn't it wonderful to see how

children see themselves?

Thank you

Thank you to the parents, staff and senior students who contributed to our 2021 review and 2022 planning survey. We appreciate your feedback, and have used it in our strategic planning and Charter for 2022.

Te Kawau events

While we are still at Covid Response level 'red' all Te Kawau events are cancelled including the Triathlon that was to be held here in April. If we move to 'orange' level events like our Triathlon will go ahead - watch this space and separate notices for regular updates.

Gardens and our apple orchard

We have some lovely peaches ripening in one of our tyre gardens and apples as well in another tyre - these are not yet ripe but when they are you are welcome to harvest them and turn them into fruit pies for yummy desserts (they're a bit tart for eating fresh!)

The apple trees behind R1 are laden with fruit. We'll pick lots of apples on Thursday and send them home with a recipe for you to use.

Does anyone need lemons? I have a lovely neighbour with a large tree covered in lemons - if you'd like some let me know.

Shared lunch

With Halal, gluten and dairy free options, students used all the knowledge they gained from the Food and Nutrition programme about healthy lunches. Thanks Mrs Wild and Zunairah's mum Tasneem, for helping the senior students prepare all the food. Everyone enjoyed their lunch.
