School Gymnastics Training

Gymnastics training is on the

following days - please wear

appropriate clothing. 25th may, 1st

and 8th of June. Gym Sports will be

hosting these sessions in the hall.

Cross Country Training

It's that time of year to dust off

your running shoes, start out small

and build up slowly. Remember to

pace yourself and have fun. It's not

if you win but how you play the

game.

The wonderful
thing is that it's so incredibly
easy to be kind.

Get Well Wishes

Jude came through her appendix operation well and will hopefully be coming home from hospital later this week. We all wish her a speedy recovery and look forward to having her back at school.

Senior leaders

We rely on our senior students to demonstrate our STARS

expectations - Self-control, Take responsibility, Aroha,

Respect/resilience and Self-belief so it was wonderful to see their

plays performed for juniors last week. Performing a play takes

confidence - they did really well.

Unfortunately *SOME* seniors need a reminder about what is

appropriate at school - some of the jokes and comments they share

with each other are *INAPPROPRIATE* - if you could work with us to

stamp out this we would appreciate it...sexist, racist, risqué, rude,

jokes, and comments are *NOT* appropriate in any workplace... especially

when juniors might listen in and repeat what they have heard.

Zero Waste

Chris Simons worked with our kids to look at ways to reduce, recycle

and reuse so we minimise waste. Next Wednesday the juniors will be

making beeswax food wraps that can be used instead of glad wrap. Each

junior will take one home to reuse in their lunchbox.

Attendance

Just a wee reminder that children should be attending school *EVERY*

DAY once they are enrolled...there are some obvious exceptions - being

ill, medical/dental appointments, cultural festivals, family events that

are *SIGNIFICANT* - not for shopping, haircuts or visits that could be

postponed to weekends. And...please help us by getting your child(ren)

to school on time every day.

Te Kawau's Top Talent 2022

It's that time to get your act together - registration forms are at

office. Last year Kendra and Kate were marvellous ambassadors of the

school - we look forward to having talented individual's representing

the school again at this event.

The Spinning Top - it's hard to believe it's been a year since the

spinning top was installed - wow, it's still used every day.
