Week 2

**BoT Meeting Tuesday 25th
October**

5.00pm, Room 4. All welcome

Shakeout Earthquake Drill
Nationwide Thursday 27th

Athletics coaching Thursday
27th Oct at school

School Hours

As we only have one teacher in the school I have asked that students don't enter the school building before 8:30am. Unfortunately we cannot supervise students after school due to the same reason of having only one teacher. Your support and understanding would be appreciated.

Reminded School is closed for Labour Day Monday 24th

School Hats

These have been issued today. Please, if the hats turn up at home make sure they come back to school.

School Lunches

We haven't had as yet confirmation as to when or if this will occur this term so please continue to supply your child/ren with an appropriate lunch until further notice. We'd like to re-instate FOS (Friends of the School) lunch programme as well but at this time we can't confirm when this will be.

Welcome Back to Term 4

We hope you all had a restful holiday. Please note Jude O'keefe has been successful in attaining a study leave and is not at Sanson School this term. Our school numbers are just below what we would needed to have in order to have two classes and so both the Junior and Senior classes have been combined and are working as one class in Room 3 with myself teaching both groups with the assistance from Robyn Wild (teacher's aide) and Jane Egan (relief-teacher/Principal release). We wish Jude all the best in her research and studies.

You will see a new face in the office with Jen Simpson working Tuesday-Thursday until 12.30pm.

I look forward to meeting you all & getting to know your children. I live just out of Bulls on a farm with my husband & 3 children. Please come say hi! Jen ☺

NZ/World Blokart Competition

This is currently being held at the track next to the school. We ask that all drop offs & pickups are done via the staff carpark off State Highway 1. Please watch your speed coming into school with students around. Things will return to normal from next Wednesday.

Pet Day Friday 21st Celebrating animals that play a big part in our lives. Please refer to pet day booklet sent home last term for details.

TE KAWAU SPEECH Finalists, Term 3

Congratulations to Kendra Y5/6 and Lauren Y7/8 who represented us at the Te Kawai Speech Competition last term. Both students spoke confidently and we were very proud of their efforts.

CLOUD 9 & the ESPLANADE

We were fortunate to be able to take our students to **Cloud 9** followed by a visit to the Palmerston North **Esplanade** for lunch. Our thanks and appreciation go out to Cody & Kasey's grandparents who generously covered the cost that allowed us to travel by bus to and from these venues as well as the cost for each child to participate at Cloud 9. We had a great day!

Regards Chris and the **TEAM** Together, Everyone, Achieves, More
