BAYLEYS ALTOGETHER BETTER

Tena koutou whānau ma tamariki

What we love: This is an opportunity to acknowledge and learn a bit of the Māori language and culture and an excellent example for the International Decade of Indigenous Languages.

Congratulations

Lauren Y7/8 speech representative, Ally runner up, Kendra Y5/6 representative and Gabby runner up. Well done also to McKenzie and Akshaya - all finalists delivered their speeches really well. We would be happy being represented at the Te Kawau Speech Competition by any of the 6 finalists. Well done senior class.

Pet Day 21st October

Just a quick reminder to complete your pet diaries over the school holidays. These need to be returned to school on Wednesday the 19th October for judging.

Memorial Day

School will be closed on Monday the 26th September for the public holiday in memory of the Queen's last week. You will notice our flag has been flying at half mast since her death and it will continue to be raised until she is laid to rest.

He aroha whakatō, he aroha puta mai

If kindness is sown then kindness you shall receive
Remember - this is a great time to work on your Te reo.
