

What's On

We have the hearing & vision team coming to school next Monday the 24th of July.

The latest Public Health newsletter is out and on the notice board in the office. It is packed with information to keep our children happy & healthy. Please let Jen know if you would like a copy.

Thank you to everyone who made a gold coin donation at the end of last term to Ronald McDonald House.

Technology for Y7/8

Now that we have 2 Y7/8s (Debbie and Nigel) they'll be off to Technology at Rangitikei College with Robyn. This term the programme covers cooking - we look forward to photos (and samples) each week.

Term 3!

We hope you all had a great holiday break and weren't too annoyed by the weather - hopefully kids got a chance to read, read, read and write, write, write!

Please find the term calendar enclosed with today's newsletter.

Welcome to another exciting term filled with learning, fun and Te Kawau events including:

Y5-6 Football at Oroua Downs and the TK Speech Competition at Rongotea.

Y1-4 students will be assessed by the NZ Speech Board examiner at the end of this term for their 'Oral Communication' badge.

This term we are splitting into 2 classes between 9.30-10.30 for handwriting and Maths and again between 11-12 for Literacy. Robyn will be teaching the Y1-3 students and Chris and I will share the Y4-8 students. This is a great chance for the kids to have some junior/senior separation, time away from their siblings and focussed teaching in a smaller group.

'Celebrating People' Nominees for the Feilding & Manawatu District Business Awards

Congratulations to Chris Kearney - nominee for the "Impact Player Award" recognising the work that Chris does for Sanson School. Chris continues to do an amazing job here at Sanson School - way over and above what is expected and we thank him for the extras he does for us all. Chris is one of 25 nominees in this category.

With today's newsletter we have sent home words from essential spelling lists 1-4. Please help and encourage your child/children to practise these lists at home during the term.

Regards *Jude* and the **TEAM** Together, Everyone,
