

Sanson School

Term 3 Week 10

20th of September 2023

Big Happy Birthday wishes to Sophie who (finally!) turned 8 on Saturday. We hope you had a fun day Sophie!

Term Dates

Last day of term 3 is this **Friday the 22nd** September

Term 4 back to school on the **2nd of October**

Last day for 2023 will be the **15th of December** at **12.30pm**

Library books/school readers and resources

Over the holidays, it would be helpful if kids were to check their rooms, for school resources – we'd love to have them returned!

Mark your calendars for Pet Day

Friday the 27th of October. An information booklet and program is coming home with today's newsletter.

Congratulations to Carter who was awarded a certificate last week for scoring 100% with his stage 2-3 maths work & Hamzah who complete his 2B Prime Maths

Sanson Clean up

Bulls are organising a community rubbish pick up next week and it would be great to see Sanson village do the same during the school holiday. We will make sure our school grounds are perfect for the holidays and if each family cleaned up their own street just imagine how beautiful Sanson could be – this is a great holiday idea to prevent boredom...

Pool

We usually have a pool meeting early in Term 4 to start the process to open the pool so the community and school can swim over the summer. Look out for a meeting date/time and please come along and offer your help. Fortunately Shane has agreed to lead the pool team again and can train others in pool water management. We are VERY grateful for the team who keep the pool up and running and such an asset to our community and school.

Lollipops Playland trip

Yesterday we visited Lollipops Playland for our end of term reward. Thanks to Diani (Dean's Mum), Kathy and staff for providing transport and supervision. It was a lovely way to reward positive behaviour for the term. Next term we'll head off to SPLASH PLANET for those kids who are consistently able to meet our 'STARS' expectations.

Regards Jude and the **TEAM** **T**ogether, **E**veryone, **A**chieves,
