

What's On

BOT meeting

BOT meeting tonight - Room 4 at 5pm

Te Kawau Football 4th of August

Well done to Kasey over the weekend who received player of the day for his football team- Feilding United Juniors, Canons Grade 9.

Sounds like Kasey is going to be a valuable team member to have on the field on Friday!

Football/Soccer tournament

This is on Friday the 4th and players must wear shoes/sneakers (no boots/studs).

We need transport please. Kick off is 9.30am so we need to leave here at 9am. Please let Jude know asap if you can provide transport.

Players: Nigel, Slayde, Hamzah, Tamara, Akshaya, Jacob, Talha and Kasey. We will also have players from Oroua Downs to make up our team numbers.

Educa Posts

See our latest post showing artwork inspired by our Term 2 Awahuri Forest visit, and last week's performance of 'Treasure Island' by actors from NZ Playhouse.

Educa is a digital portfolio and is one way we share what the kids are learning at Sanson School. Pop in any time and see our student workbooks and wall displays to see a more day to day progress.

Newish students (Debbie, Jacob and Deane) and new students (Carter and Chayce) will be able to access Educa as soon as they respond to an Educa invite via email.

Spelling

Senior students have a new list of spelling to add to their previous list. Please help them set aside time each day to actually learn them. Maybe they could spend 10 minutes BEFORE turning on any DEVICE!!!!

Congratulations to Sophie Bessem
Sophie has worked really well and has now successfully completed her 2A PRIME maths student workbook.
