

PRIME maths success

Congratulations Akshaya for successfully completing PRIME student workbook 5A. Level 5 is intended for Y9 students (first year at high school)

This is an amazing result. Well done Akshaya and her parents who provide Akshaya with lots of home teaching too. Congratulations also to Slayde and Naylaa for successfully completing their student workbooks too...fantastic effort all 3 learners.

Retirement notice

Hi all - I just wanted to let you all officially know that at the end of the year I will finally be retiring. I turn 65 in January and it is time! I have loved all 41 years of teaching with 20+ of those years being a Teaching Principal. I will miss the kids, my colleagues, the physical and mental activity, the challenges, the fun, and the whole community that makes a small school so special. I will NOT miss the paperwork, the red tape type regulations, the health and safety rules, the systems and some of the changes I've seen over 41 years.

Thank you for your ongoing support and please - let the Board of Trustees know what you want from a new Principal! Your input will help them appoint an awesome replacement.....

Congratulations

To the seniors who played in the football tournament last Friday. We lost three games and drew one but the teams seemed very even so it was really bad luck that our several attempts at goals didn't work out. Great team captain Nigel, great fairplay Slayde (for confessing to a handball) and the entire team Akshaya, Hamzah, Kasey, Talha, Tamara and Jacob as well as the 4 players from Oroua Downs who made up our team numbers. The group were a pleasure to watch. Ka pai all!

Lateness

Thank you so much for the arrival times for 99% of students over the last few days...the promise of beautifying our school by picking up rubbish or weeding gardens may have played a part in encouraging kids to be on time i.e. just before 9am!

Regards Jude and the TEAM Together, Everyone,
