

BOT meeting next Wednesday the 29th of November at 5pm in R4– All Welcome. We have invited Grayson Marsh (new Principal for next year) to join us for the meeting so he can see how our BOT works. This will begin the transition process ready for 2024.

Beach Education programme

Y5-7 students will be joining Tangimoana School on Friday the 1st of December at Foxton Beach. (Jacob, Hamzah, Slayde, Tamara, Akshaya, Nigel) These kids

will need: lunch, water filled drink bottle, togs, towel, wetsuit (if they have one – don't buy one just for this day), warm clothes to change into after their swim...everyone else will be staying at school and usual school lunches will be provided.

PRIME maths successes, congratulations to Alexa and Sophie for completing their PRIME maths books and moving to the next level.

please RSVP to secretary@sanson.school.nz

10th Dec Feilding Christmas Parade

13th Dec Splash Planet Trip

14th Prize Giving 2pm

Farewell

Sadly, we say goodbye to Whaea Lorna at the end of this year. Lorna is also retiring so we look forward to a great combined send-off to thank Lorna for the amazing work she has done with our Reading Recovery juniors and special programmes for both juniors and seniors. Lorna will be missed by the kids and staff... however, you'll be pleased to know we have signed up for Reading Recovery to continue next year so we'll wait and see who joins the team to continue to provide this amazing learning support for our kids.

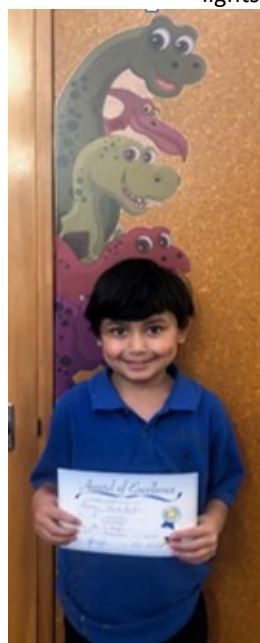

Welcome to Grayson Marsh

We were delighted to meet Grayson on Friday last week. He visited to meet the kids, see all our amazing facilities and chat about some long term plans for Sanson School. The kids introduced themselves to Grayson and he was very impressed by how confident they were and what wonderful manners they have.

Grayson also has a second school visit planned for the 7th of December so pop in and meet him if you have time...

School painting

As you have no doubt seen there are painters at school. What a big year for property it has been...new paint on the exterior, new carpet tiles in the classrooms, new ceiling acoustic panels, new LED lights, new PE shed door...school is looking amazing!

Congratulations Aaron – he scored 24/24 in a 'c' or 'k' spelling test. So did Tamara, Akshaya and Hamzah but Aaron is only a junior so – TOP OF THE CLASS AARON!

Regards Jude and the **TEAM** Together, Everyone,

Achieves, More
