Te Kawau Triathlon Congratulations

Junior team: Hamzah - swimmer, Aaron - cyclist, Kasey - runner
Senior team: Slayde - swimmer, Akshaya - cyclist, Nigel - runner

Both teams did well, didn't place but gave it their all - **ka pail**

Extra congratulations to Nigel who competed not only in a team but also as an individual: he swam 15 widths, biked and ran 2 laps of each field...an excellent effort...well done Nigel.

Our Kimbolton Sculpture Festival entry - Whanau Rakau - sold over the weekend.

The \$50 will be put towards an end of term activity tomorrow. The sculpture received lots of praise - well done team.

If you didn't get a chance to see the tree in the foyer on display when it was here - we have a great photo of it in the foyer.

'Zones of Regulation' ZONES

We are introducing the kids to a new social skills programme where they will be taught to better recognise their mood, triggers for changes in their behaviour and how best to manage their behaviour. The RTLB (Resource Teacher of Learning and Behaviour) has been training staff and next term she will model a few of the lessons for us. This should be underway near the beginning of the term and will provide our kids with some strategies to self-regulate when things get difficult for them.

Tuatahi online te reo Maori learning programme

We have signed up to this and I suggest if you're interested have a look online at what the programme offers. It is for schools and parents and students.

Let me know if you want to be part of this online learning opportunity.

COMING IN JUNE.....TE KAWAU'S TOP TALENT!!

Start getting your acts together. Flyers & registration forms will be available from school at the beginning of term two.
