

Rippa Rugby

Tangimoana School are hosting this Te Kawau event on Friday the 19th of May for Y4-8 students. We don't have enough players for a full team with reserves, so will probably top up another school's team. We'll need transport for the kids who want to go so look out for a transport notice with more details soon.

Te Kawau Cross Country

This event will be held at Baines School on the 23rd of June. Only our keen, fast runners will attend and again - we'll need transport! Term 2 is a very sports focussed term! With our small numbers we'll hold trials for the cross country here at school and we'll let you know our results...

Te Kawau's Top Talent 2023

Information and registrations forms for this years talent show will go home with today's newsletter. Great Prizes!

We've taken lots of action shots of our students doing a variety of activities lately. Including the Traithlon & Go karting last term. Rockets with Mr Kearney & baking with Mrs Wild. Some are included on page two. There are many more which you can watch out for on the website in coming weeks.

Please note the school website is currently offline & we are working to get this resolved & updated quickly.

Zones of Regulation (ZONES)

Whaea Michelle (our Resource Teacher of Learning and Behaviour) took us through the first lesson of ZONES last week. The first lesson was about the four ZONES and the way we feel/ behave at each ZONE.

BLUE ZONE: Sad, Tired, Sick, Bored, Shy

GREEN ZONE: Happy, Calm, Focussed, Relaxed, Ready to Learn

YELLOW ZONE: Frustrated, Worried, Silly/Wriggly, Over - Excited

RED ZONE: Elated, Mad/Angry, Terrified, Devastated, Out of Control

It's pretty clear that to be ready to learn we need to be in the GREEN ZONE - we'll learn over the next 17 lessons how to recognise when we are slipping out of the GREEN ZONE and more importantly how to get back to the GREEN ZONE!

Gymnastics lessons

Our gym lessons with staff from Manawatu Gym Sports start next Friday the 12th May and continue for 4 sessions before the Te Kawau Gymnastics Festival on the 9th of June. Jen would LOVE some help with the sausage sizzle on Festival Day - if you can help please let Jen Burquest or Jude know.

Hamzah

Aashritha

Some fabulous art work from the Legend of Papatuanuku- Earth Mother & Ranginui- Sky Father with the Tamariki in the middle.

See if the children can retell the legend for you.

Regards Jude and the TEAM **T**ogether, **E**veryone, **A**chieves, **M**ore
