

Rippa Rugby

On Friday the 19th (this coming Friday) Y4-7 students will be heading to Tangimoana School for the Te Kawau Rippa Rugby tournament. We still need 1 parent for transport - if you can help please text Jude 021 709719. If the weather is true to the 7 day weather report it may be raining and the event cancelled.

The Rover dental van will be posting out appointments in the coming week for children's check ups at Clifton School, Bulls.

Wellington Zoo's 8 Year old Kitwe the chimp looks like he forgot to go to the dental nurse!

Tuatahi online te reo Maori programme

I am really enjoying learning alongside the kids. We have been learning about the legend of Ranginui and Papatuanuku and the Matariki stars. The kids and I did a pre 'test' regarding the stars names and what they represent. I must confess that Akshaya 4/8, Aashritha and Slayde 3/8 beat my score of 2/8!!!! We'll re-take the 'test' at the end of the term and I expect a massive improvement.....

The kids have chosen one of the Matariki stars and created an artwork to show what the star represents - they are on the wall in R1 for you to view.

STARS

Tamara **Tupuanuku** Food from the earth

Aafiya **Tupuarangi** Food from the sky

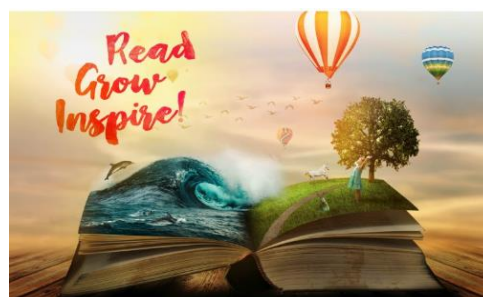

Talha **Waita** Ocean food

Naylaa **Pohutukawa** People who have passed

Akshaya **Hiwa-i-te-rangi** Wishing star

Kasey **Waipuna-a-rangi** Rain

Aashritha **Matariki** People, health, well-being

PB4L Expectations attached are our PB4L expectations. Please go over the expected behaviours with your children – have a chat about them and remind them that these are great life skills.

PB4L is a positive behaviour programme that endeavours to reward those kids that demonstrate the school's expectations of behaviour. The idea is to keep trying to teach the right way to interact and behave rather than simply punish those who don't – the ZONES programme is designed to teach kids to recognise triggers to escalating behaviour, recognise emotions and feelings in themselves and others so they can take steps to avoid escalating behaviour.
