Duffy Role Model Assembly On the 29th of May at 9.30am we will have a Duffy Role Model visiting (we don't know who just yet).

Parents are welcome to attend

Playground Behaviour

I am really pleased with the behaviour in the playground lately. The kids are playing well with each other - a huge improvement...thank you for reminding your child(ren) of the behaviour expectations STARS at Sanson School. PB4L gives the kids a great framework to work with and provides some wonderful life-skills.

Parent/teacher/child Interviews

It would be great to meet you all and chat about your child(ren)'s progress and achievement. Please fill in the attached sheet and return it to the office so you can have your first choice of time/day. At the meeting, your child will be able to share their work with you and we can discuss their mid-year report, which gives you some ideas of how to help at home. It is also a great chance to write some goals that you may have for us with your child for the rest of the year.

Ministry of Education funded building upgrade

If you notice several extra people at school over the next week or so, it is a team from TorqueIP upgrading all our lights, fitting RCDs on all power points and adding acoustic panelling to some areas. This is part of a nationwide upgrade to improve schools for students and staff. These improvements will also ensure Sanson School is!
