

#### What's On

##### **Dental Clinic Clifton**

Appointment times went home with children last week for Thursday the 22<sup>nd</sup> of June- please ensure you contact them directly if you need to change your appointment. There is a copy of appointment times available in the office if you are needing to check.

##### **Parent/teacher/child Interviews**

Wednesday the 21<sup>st</sup> or Thursday the 22<sup>nd</sup> of June. Please return form with preferred time slot. Those who have already returned they have been sent home today with your time **highlighted**.

A reminder everyone in New Zealand on the night of the 7<sup>th</sup> of March by law needs to fill in the census by the 30<sup>th</sup> of June 2023. [www.census.govt.nz](http://www.census.govt.nz)

**Electrical upgrade** Our electrical upgrade (lights, acoustic tiles and RCD power points) are all completed. This was funded by the Ministry of Education! I'd like to publicly congratulate the kids (and staff) for working so well while the team of 6 electricians were here.

##### **Duffy Role Model Assembly**

Courtney Davies visited us today and shared her journey and love of reading with our kids. Courtney is an environmental programme manager. Science, marine environments, sustainability, agriculture and the environment are areas of her expertise.

The children are enjoying their gym sessions, the last one will be this Friday before the junior Te Kawa Gymnastics Festival here on the 9<sup>th</sup> of June.

##### Welcome to two new enrolments

We welcome Debbie (Y8) and Jacob (Y5) to our school. It's lovely to have two new kids and their families join our Sanson School whanau.

##### Rippa Rugby

Our team played really well at Tangimoana last Friday. Thank you to Robyn and Jen for providing transport and organising the team. It was fantastic when they arrived back to hear how much fun they had and Aaron scored 1 try, Akshaya scored 2 and Nigel scored 5. A great effort.

##### Coding equipment

Thanks to the BOT we have some amazing coding kits that we are going to start using in Term 3. The staff from the Feilding Library will run workshops to teach our seniors (and staff) how to get the best out of the new gear. This will involve 4 students learning who can then be the teachers to the other students.

Regards Jude and the **TEAM** **T**ogether, **E**veryone, **A**chieves, **M**ore
