Swimming

The pool is still open and kids are able to have a brief 'free' swim each day – this is only for the hardest of kids! It is optional!

Free lunches

The lunches provided by The Church Café are healthy, varied and free. There is no need for you to provide lunch anymore (just morning tea). Left over lunches are being sent home each day and to avoid wastage, maybe the kids could have the extra food for afternoon tea.

Last week these students had a fun outing Go-Karting thanks to Rongotea and District Lions. This afternoon Slayde and two supporters are heading back for the finals, good luck Slayde!

CONGRATULATIONS to Aashritha for completing her 2B PRIME Maths book last week

Te Kawau Triathlon

This is on Friday the 31st March starting at 10am...we could really use some help for the BBQ, the bike management, general assistant to Mr Kearney or Ms O'Keefe or as spotters for the team events for our 2 Sanson teams. Try outs are happening today to see who the fastest cyclists are for each team. See you on Friday if you're able to help.

Te Whanau Rakau (the family tree) Kimbolton Sculpture Festival

The tree made with the children shows family relationships. Branches show how the older generations support and shape the younger generations. The learners used off-cuts of timber to create the tree, we learnt about the Te Reo and English names for family members, painted the tree and labelled it. The children enjoyed being part of this activity. The tree will be taken to Kimbolton to be displayed for the Kimbolton Sculpture Festival this Saturday.
