Covid update

On each entrance the most recent advice from Government about parents on site at school states that parents may come on site for anything to do with children's learning so YES you can all come to Prizegiving and various trips that are mentioned in this newsletter...However we insist on mask wearing and double vaccinated parents only may provide transport. Please bring along proof of vaccination or...only transport your own children. That way parents can feel confident that we are taking all reasonable steps to ensure (y)our kids stay safe - social distancing is impossible in a car!
