Birthdays

Big birthday wishes to

Tallyn Smith - we hope

you have a fab day.

I can't believe I forgot to send home the Term Calendar in Week 1 of this term! Sorry everyone! Here it is today with all the anticipated dates and events for Term 1 - attached.

Congratulations to Hamzah - another 'Graduate' from the Reading Room with Whaea Lorna. Hamzah has become a successful reader and writer - WELL DONE!

Apples, apples, apples

Our orchard trees are laden (they are near the water tank fence behind Room 1) - come and pick some for your whanau. Juniors took home a bag of apples and an apple crumble recipe last Friday. Thank you to Summer and Zunairah for helping the juniors.

Thanks also to Avaleigh's family for bringing in lovely apple pies for the juniors to share at morning tea yesterday -YUM!

Math's activities

We have some amazing math's activities at school. Here's Avaleigh's fantastic cog and gear creation...feel free to come along on any wet lunchtime and join the kids using the equipment we have...

Pool picnic/pizza Party

It was lovely last week to catch up with old students and recent leavers for High School - they even helped set up the tables and lights to make the BBQ area look festive (well done, Mrs Harris). Thank you for those people who could come and meet new families - sorry a Thursday doesn't suit everyone - but neither does Mon or Tues or Weds or Fri!!!!

Sick children

If your child is unwell they MUST stay home. This is a Government instruction because of Covid 19. I realise childcare can be difficult for working parents but for the health of the other students and staff it is essential that sick kids stay home.

Thank you.
