Newsletter Week 4 Term 1 2020 Homework

Congratulations to Kendra - top speller in the junior room! Juniors are learning the words in Essential List 1 to help speed up their writing.

Please help them at home learn the words they need to know (these were sent home on Monday) Re-test on Friday! Kendra didn't need to learn any - well done!

List 2 next week...

Swim safety programme

As part of the Kids 'n' Us programme run by the Rongotea Lions our seniors will have a 1 ½ hour session in our pool with experts from the Beach Education Lifesavers. Details later - we'll probably share our pool with Tangimoana and or Kopane for this programme.

Small Schools Swimming Sports - Friday the 6th March HERE

We are hosting this event and need quite a few helpers PLEASE - we need timekeepers (we have the stop watches) and people to put up our gazebo and set up the pool area. If you can help please see Chris or Jude asap. We'll start at 9am so helpers at about 8am would be wonderful. Kopane are running a sausage sizzle and selling other food too. This is actually their Te Kawau event but with a new Principal (Nikkie Christie) at the helm we are running the event for them this year. 'Kopane Home and School' will be running a food stall at the event. Please get your lunch order forms into the office by Friday 13th March, thanks.

Ideally we'd love to have a swim coach to 'judge' the races so correct style is used and rules followed. If you know of one please let us know urgently!

After the races there will be a free swim for our kids and Tangimoana School kids.

Y7/8 immunisations on Friday
