

### Upcoming Events

Term 2 starts 18<sup>th</sup> October  
 22<sup>nd</sup> October Pet Day  
 Labour Weekend 23<sup>rd</sup> to 25<sup>th</sup> October  
 BoT Meeting - 26<sup>th</sup> October, 5.00pm, Room 4. All welcome

### Fabric

If you have any scraps of fabric that we could use in some art we are creating please send it along asap.

### Mental Health Awareness Week

These 5 simple prompts are great reminders for us all - try and build these into your day.

### Friday - school ends at normal time of 3pm

Have a fantastic holiday with the kids - let's hope for Level 1 so you are able to move about more freely and visit places of interest.

Welcome back to Akshaya and welcome to her sister Aashritha who started at Sanson School yesterday. There are 3 more students expected before the year ends - YAY!

### Wig Wednesday/Mufti Day

It's Wig Weds/Mufti Day **tomorrow**. We're raising money for Kids with Cancer so a gold coin donation if wearing wigs/mufti please.

### Lion's Peace Poster

The Y5/6 and Y7/8 students are creating a poster with the theme "We are all connected." This artwork will be on display for Pet Day - entries are due this Friday (last day of term). This is an international competition with a \$5,000US first prize...we're entering it because the Lion's support our school and the topic is such a worthwhile one. The artwork is very varied - well worth a look at those that do get finished!

### Senior speech competition

The kids are finishing their speeches (they've had 6 weeks to complete them) ready to present them to their class. There will be 2-3 Y5/6 and Y7/8 speeches shared with the school on Friday where the finalists will be chosen so they can practise, practise, practise over the holidays to the point where they should NOT need cue cards...Because we're in 'Delta Level 2' the speeches will be for kids and staff only - sorry parents! We will record each speaker, which we could send to parents on request.

### Pet Diary

This is holiday homework and guidelines were sent home with the newsletter (the Lamb, Calf & Pet Day brochure) - this booklet also tells the baking and craft options for 2021.

Please ensure your child completes a Pet Project/Diary using the guidelines as provided! The work is to be handed in for judging on Weds the first week of Term 4...

We wish you a fantastic break.

Remember to finish your diaries and if bored check out the holiday programme at the Feilding Library. Until next term - Ka kite anō.

Regards Jude and the TEAM Together, Everyone, Achieves, More
