Shakeout Earthquake Nationwide Drill

Last Thursday we viewed a clip about earthquakes and hoped to watch the live stream drill from a school in Oamaru - however the technology gremlins let us down and it wouldn't play - we discussed in depth earthquakes and the safe way to cope with a large earthquake at school...an actual drill will take place later this week.

Kelly's Sports

You would have received a flyer from Kelly's Sports last Friday after 2 of their coaches ran a sport workshop with both classes. The kids enjoyed the session and there is the option of going to the Bulls Scout Hall each Wednesday at 3.30pm for sports/games activities - see the flyer or Kelly's Sports website. With so few sports opportunities this term the kids might enjoy this option.

Young Achiever's Awards

It was a delight to see Kate and Elliott on stage at the Manawatu Young Achiever's Award ceremony last night in Feilding - they were selected for the 110% effort in all they do at school. Well done!

Spelling success

Juniors and seniors have recently completed a variety of spelling tests and it is excellent to see improvement across the school. Of the 16 seniors 4 need to improve their spelling, 9 are spelling age appropriately and 3 are spelling well above their actual age. Fantastic effort Tallyn, Eamon and Gabby.

Juniors have confirmed the benefit of the Structured Literacy approach with really pleasing results too - 2 students needing improvement with 6 spelling age appropriately and one outstanding speller - congratulations Akshaya!
