The activity days are fully funded by Kris Astwood and Flipp Transport - Kris made the gorgeous pallet Christmas tree that Deb from Flipp Transport purchased for \$500 - thank you to the generosity of all involved. Flipp transport provided our float for last year's Xmas Parade (and were going to this year too but of course the Parade was cancelled) It is **FANTASTIC** to have local businesses continue to support our lovely school. Thanks also to Viv's Kitchen who supply us with extra food for students and events - we really appreciate all the support we are given.

## Reading data

Every student improved their scaled score in the STAR reading test - with 4 students of the 23 making accelerated progress (Hamzah, Tamara, Perry and Kendra). Excellent effort by all students...some improved their stanine (a 1-9 score) which compares our kids to all of NZ kids - (Tamara, Perry, Kendra, Eamon, Zunairah, Cody, Tallyn, Kate, Kimberlee, Elliott and Ayesha). 6 students only have 1 result as they weren't here for last year's test. Well done Sanson Y4-8s!

## Pool Opening

Not sure of the dates for emptying, cleaning and refilling the pool yet - **VOLUNTEERS ARE NEEDED - HELP!!!!!!**
