

Welcome

Pet Day

Thank you to the parents who helped kids bring animals to Pet Day and help them create their crafts, baking and diaries at home. Your support makes the day special. Thank you to Emma and Daniel for providing the 5 lambs that juniors and seniors could meet and show off in the ring. Our judge Deb loved the atmosphere of our fun day. Thanks also to Prue and Diana - our baking and craft judges and Jen who organised the lunch and made the lovely cake that Mrs Hodder and I competed for at the Auction! Sanson School used to have many rural families so it's really great to keep this tradition alive and well - the kids certainly enjoyed the day.

Variety Show

Next week in the Supper Room (in the Community Hall) at 6.30pm - all children are involved so please...no illnesses and no absences! Seniors - plays, Juniors - a play, drumming and 'The Face Mask Dance'...you'll be amazed!
