## Portfolios

The student portfolios are heading home next week. These highlight the amazing achievements your children have accomplished through the year. If you could return these by the Wednesday 15<sup>th</sup> please we would appreciate it.

Your child would love to read your positive, encouraging comments!

## Activity Days last week

Thank you to the parents who provided transport and supervision to our activity days last week. The kids had a great time and had many EOTC (Education Outside The Classroom) experiences to celebrate their year.

## Colour Fun Run

What a lovely way to end a Friday - the kids ran through the barked playground using equipment to cross to each section and they got covered in coloured powder - at the end they all looked WONDERFUL! Thank you Jan for organising this fundraising event which helped pay for the activity day costs, as did the pallet Christmas tree sale!

## PRIZEGIVING

Tuesday the 14<sup>th</sup> December at 6pm at the Sanson Community Hall. Come along and help us celebrate the end of the year and send our Year 8 leavers off to High School.

This year there will not be a shared supper (thanks Covid 19) so the evening will be brief but celebratory...

We will welcome everyone to our end of year celebration however we will insist everyone over the age of 12 wears a mask and we hope that by now every eligible person is double vaccinated? If not we'll still stay safe with mask wearing, social distancing, hand sanitising and a huge dose of common sense applied. We are an inclusive school so let's show everyone we really are...
