Garden Post Fundraiser

Please see attached information re the Bulb fundraiser. Orders and money need to be back at school by Friday the 5th March. These make gorgeous gifts and are a wonderful addition to your garden.

Top School Competition and Raffle

Congratulations Kate, Kimberlee and Mason for representing Sanson School on Saturday at the Top School event. The Lions support the school in many ways - Kids 'n' Us, donations and events so it is only fair that we support them when we can. As a result of the team event and the awesome raffle (planter and books) sold by Kris, Carl, Emma, Jen and Mr K the school made \$450 towards end of year camp.

I have to have a little growl though - only 3 kids!!!! In a team needing 10. Where were all the other 25 kids?????

Participation is a Key Competency in the New Zealand Curriculum so I'm asking parents to motivate kids to participate in ALL school events unless there is a really good reason not to! There endeth my growl!

Raffle results Ticket 110 - A Tauwhare and 131 - John Pedley.

Portfolios

Please return these asap! We need to start filling them up!
