

Newsletter Week 9 Term 1 2021

Triathlon Results

Congratulations to our top triathlon team - Cody (swimmer), Tylah (cyclist) and Eamon (runner). This strong team took first place in the 9/10 year old team event.

Tylah, Cody, Tallyn and Elliott also deserve our congratulations for competing in the individual event. Unfortunately we didn't have any places but the kids now have a goal for 2022 (beat their place from this year!)

A very large thank you to Chris Kearney, the seniors and the awesome team of parents who made the day a success - setting up the course, cooking the food, marshalling and clearing up at day's end...thank you all.

There were just over 130 kids participating in this Te Kawai event.

ART FESTIVAL/MORNING TEA

On Wednesday (TOMORROW) you are invited to come to school and view the ART DISPLAY in the foyer and on the hall walls - the theme is MOVEMENT and the display features polystyrene art, photography, sketching and 3D art...come along and enjoy morning tea and view the work.

See attached flyer which was sent electronically last week and has been advertised on the school facebook page

Oral Assessment Exam

Our Y5/6 group (Kendra, Gabby, Tylah, Eamon, Ronan, Mason, Lauren, Aleasha) will be assessed by a NZ Speech Board examiner on Thursday the 15th April. They are working on a 2-3 minutes speech about a topic they know well, will be performing a play and discussing a favourite book with the examiner. Each year (except Covid year) we have had great success with our students always achieving well.

St Thomas's Church Harvest Festival

Last Sunday St Thomas's parish donated the produce gathered at the Harvest Festival. Sanson School families all received a box of vegetables, fruit, grocery items and lollies. This was a very generous bonus to all our school whanau. Thank you St Thomas parishioners.

Happy Birthday

Mason 25th March - thanks for the lovely birthday cake shared with many seniors on Triathlon day!

BOT meeting

Wednesday the 14th April in R4 - you are welcome to attend.
