Welcome to Avaleigh Mc Call - who joined the junior room yesterday for a visit and will be starting at Sanson School next Term. We also have 2 other enrolments at the beginning of T4 for the senior room - this is a great 10% roll growth!

### Te Kawau Speech

Last Friday Raymond Y7/8 and Aleasha Y5/6 delivered their speeches at Rongotea. They made us very proud - well done both students.

### STARS groups

Next term we're bringing back STARS groups (houses). The kids will be in 3 groups (family members together to make transport easy) and at the end of each term the winning group will earn a trip/visit/activity (skate park, laser tag, swimming at Lido, etc). The way to earn the win - SIMPLE...demonstrate the STARS expectations and they'll earn their team points.

### Working Bee last Thursday

A massive thank you to the parents and kids who attended the working bee last week - thank you Jan, Chris, Gareth, Elliott, Lauren, David, Shane, Kimberlee, Jen, Cody, Kasey, Kirsty, Carl, Mason, Madison, Chelsey, JJ, Kendra, Emma, Ethan, and Kate.

The list was nearly completed - we finished early and shared kai - thanks Jan for the lovely patties and Jen/Jan for organising the food...if you missed this working bee, never fear, there will be another one in Term 4!

We do need someone to help the kids plant some donated plants. If you have a bit of spare time come in and see us and we'll give you a gardening team of 4 to help! Before the holidays would be WONDERFUL!!!!!!

Term 4 starts 12<sup>th</sup> October. Enjoy your holidays and be kind to your parents.
