Pool meeting last Tuesday

A huge thank you to Shane who was the only attendee! He is happy to start emptying the pool (helped by the fire brigade who used water to fight the huge Sanson fire last week) and we will be looking for volunteers to manage the pool over the season. Thank you to Adam, Kristi and Shar/Nathan who have all offered help this season. We need MORE people - please contact school asap if you are willing to help...

Jan and I attended the Sanson Community Committee meeting last week to plead for help towards financing the pool running costs. We also have an application in to the Manawatu District Council seeking help.

A huge thank you to the Hall Committee who have given us a \$1000 donation towards the pool costs this year.
