

Senior speeches

Aleasha, Mason, Cody, Lauren, Elliott, Tallyn and Raymond presented their speeches last week to teachers, parents and the junior class. They spoke well, maintained good eye contact, and should all be very proud of their efforts. Congratulations to Aleasha Y5 and Tallyn Y7 who will represent Sanson School at the Te Kawau Speech Competition in a few weeks. They have lots of time to learn their speech so well they shouldn't need their cue cards!

Reading Results

The juniors have just completed reading tests that show continued progress in reading - in the areas of: decoding, fluency and comprehension. Of the 9 students (Y1-4) 3 are reading above age expectations, 4 are within age expectations and the 2 youngest are learning letter/sound relationships prior to beginning to read texts more independently. Well done Mrs Hodder, Whaea Lorna, Mrs Humphrey and kids for your hard work!

Masks

Mr Kearney has recently purchased a school set of masks in case we need them. Mrs Harris and her Mum Gaynor have been helping the seniors make their own fabric masks so Sanson School kids are proactive about having their own PPE (Personal Protective Equipment). Thank you to Jan for supplying the fabric and sewing gear. The kids are very proud of their masks.

Food and water at school

Please check that your child (ren) has enough lunch each day and a water filled bottle...some kids are still hungry at end of lunch because they have filled their lunch boxes with junk food/packets and have little fibre in their lunch. They run out of energy in the afternoon - SANDWICHES or FILLED ROLLS are great - they can even get into the habit of making their own!

Working Bee

Thursday 17th September, 4.00 to 6.00 pm. Bring your garden tools and we'll provide a BBQ tea. A list of jobs will be in next week's newsletter. We thank you in advance for helping.

Up Coming Events

2nd September Duffy Books

Theatre at School - this format may change owing to Covid 19.

9th September Wig Wednesday

We look forward to seeing your fantastic wigs - this is a Child Cancer Fundraiser.

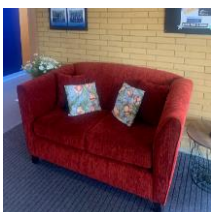

11th September Transition Day

Te Kawau Transition Day @ Longburn School for Year 8's

Thanks

The Staff and Board are working on revamping the front entrance of the school and foyer. Thank you Gareth Sharp for all your help and donation of furniture to make our foyer look inviting to new students and their families. Also, Kris Astwood for the amazing skateboard ramp, students

are using this every chance possible.
Thanks Kris.

Regards Jade and the TEAM, T_ogether, E_veryone, A_cchieves, M_ore
