Devices (and toys) at school

If your child is bringing toys or any sort of electronic device to school we will take all reasonable precautions to keep those items safe but it is actually the child's responsibility to ensure they are looked after. If you are concerned that the item could be damaged please do NOT allow it to come to school.

Enjoy your long weekend.

Term 2 Week 5 2020

What a lovely first week back it was last week. Some sort of normality for the kids and teachers too! The kids started off soooooo pleased to see each other and slipped straight back into work but it was a little too good to be true. A few kids have found it quite difficult to take up friendships again and there has been some quite mean behaviour creeping into the playground.

As a Positive Behaviour for Learning (PB4L) school - we need to remind our kids of the expectations we have here...

[Self-Control, Take Responsibility, Aroha, Respect/Resilience and Self-Belief-STARs!]

Attached are our PB4L Expectations. Please take the time to go over the whole sheet as a family/whanau but especially the 'All Settings' section. Home and School need to work together to ensure our kids know what their responsibilities are and to know what they should expect from others (their rights).

While each 'mean incident' has been discussed at school with students and their parents we want to ensure all kids feel safe, happy and valued here at school. Please let us know if there are any issues between students that we need to be sorting at school...

End of Ramadan - Eid

It was lovely for all staff to share the end of Ramadan with Ayesha and Hamzah's family yesterday. We were treated to a huge variety of lovely food and hear about the ingredients and the making process. The idea of celebrating the favourite foods and cultures within our school has long been a plan of ours. The week of Matariki (mid July) is the perfect opportunity for us to get together and share our family/whanau favourite at a shared lunch. We'll have to wait until we're at Alert Level 0!

Library books

Please return all Library books asap!

Drinks at School

Please make sure your child has a water filled drink bottle EACH DAY at school. They can top up in the staff room but we are not able to provide cups at this time.

Adults on site

Please remember to only use the front entrance if entering school and sanitise/sign in at the desk provided.

Regards Jude and the TEAM Together, Everyone, Achieves, More
