Blood/Plasma donors are needed now. Call 063500963 to make an appointment.

Newsletter Week 6 Term 2 2020

Thank you to the parents/caregivers who have spent time going through our PB4L (Positive Behaviour for Learning) matrix attached to last week's newsletter. Playground behaviour has improved, and kids seem to be happier with each other last week.

One of the most difficult expectations seems to be under the respect/resilience section "Recover quickly from difficulties." This expectation is to help teach kids to try strategies to solve/avoid problems e.g. in the junior room Hayley uses 'WITS' - **W**alk away, **I**gnore, **T**ell someone - a Y7/8, **S**eek help from an adult - if there is a serious issue/problem. If we can all teach our kids to ignore minor things and deal immediately with major things we will be teaching them a crucial life-skill - RESILIENCE!

Tee shirts

We were recently given some brand new tee shirts for sports teams. We've kept enough for 2 teams and have given out 1 to each senior. Enjoy!

Library Books

Still waiting for nearly 50 books! Please search for them and return them asap.

School uniforms

We have quite a few polar fleece sweatshirts, some tee shirts, some trousers and a couple of shorts/skorts. Pop in and have a look if you need any extra uniforms for winter.

Gymnastics

We are hoping that our annual Gymnastics Inter School event will be going ahead late June. Watch this space for more news. If there are any parents with some experience in this field could they please let staff know?
