

## Newsletter Week 9 Term 3 2020

### Te Reo Maori Language Week

This week is Maori language week and we have some te reo learning that our kids are doing that they could share with you at home. Today we saw a video from a Kapa Haka tutor Matua Whaitiri Poutawa sharing his love of books and reading. He also read the kids a cute story about a taniwha in his river after which we gave out two Duffy books to each student.

### **WORKING BEE**

This is scheduled for Thursday at 4-6pm followed by dinner. The job list has already been sent home...we need lots of help to tidy up the school grounds...more helpers equals less time spent!

PLEASE COME ALONG WITH GARDENING TOOLS and energy to help!

Te Kawau Speech Competition - this Friday at 10am at the Rongotea Rec Centre

Thank you to Raymond filling in for Tallyn who will be away on the day (Y7/8) and Aleasha (Y5/6) - we wish you luck and hope you both a) enjoy yourselves, and b) win a placing!

### WIG Wednesday

Congratulations to all here at Sanson School for raising \$34 for the Child Cancer Foundation - great work everyone.

### Variety Show postponed to Term 4

This extension will give the kids a chance to practise, practise, and practise over the holidays so that early in Term 4 we can treat you all to a top-notch performance of our 'Variety Show.'

### Zebong Show

Zebong - The Story Teller memorised students with the amazing way he told stories and all students took part in his interactive plays.

Regards Jade and the TEAM, Together, Everyone, Achieves, More
